Dear Eck.

1. Mariamu Kisanga didn't pass her final national Examination; refer your advice that you can't send a pupil to private school so we didn't give her school fees.
2. Barakael Godwin has finished her college last year 2008 also we didn't give him school fees.
3. Lea Akyoo is employed somewhere it seems she doesn't want to communicate with the system, because we told her to attend the celebration on 20<sup>th</sup> Dec 08 she didn't turn up, and you saw real situation. I give the money to other three.
4. Godlove Akyoo, was dismissed to school because he beat the teacher, for now we are seeking another private school .I will pay for the other new school.
5. **The following will finish school and college this year.**
  - a) Sanda Rashidi -May 2009
  - b) Happiness Hangali -May 2009
  - c) Catherine Msaka Oct 2009.

I will give you the new list unless you advise something.

6. I advised you that instead of taking three orphans in one house is not good while there are other orphans. I took Baraka John Mjema (M) because Johns mother is suffering from cancer of the throat and Upendo Abrahamu (F)std 1. Theresea will visit orphans we told you. We told you that buying a sewing mashine for Yona wont help him anything even the principal in rehabition college told you. We don't understand why you insist this. It is better to follow our advice because we know the real situation.
7. I didn't visit orphans with Theresea early February because it was the beginning of the year also a term so I had many things to do to my school.
